A WORD FROM THE BISHOP'S WARDEN

Dear All,

Spring is here! It is my favorite time of year. We will soon have the garden disked and begin to think about what to plant. St. Paul's was blessed to have received a very fine tiller to use in our garden project. We put an appeal in the local paper outlining the fact that our previous tiller was stolen and the purpose of our garden. Just as I had given up getting a donated tiller, I received a call on Wednesday about 3:00 pm with an offer of a tiller. The donor worked in Clinton but lived in Garden City so I made arrangements to follow them home from work and pick up the tiller. Was I ever surprised to see a rear tine tiller with very little use, almost new but about 10 years old, being loaded in my pickup! As Rick and I traveled back to Clinton, we marveled at St. Paul's good fortune. Since it hadn't been started in about 7 years, the next morning I took it to the repair shop to be serviced. It will be ready the first of the week. In thanksgiving, let us strive to get the most out of our garden to donate to those in need, healthy fresh veggies.

Don

BARBARA CROSSLEY

Recent email from Barbara lets us know that she will be returning to Missouri the end of April and will join us at church on May 1st! Let's plan a May Day celebration!

NEW TILLER DONATED

After placing an ad in the local paper, telling of the church's mission to grow vegetables for the Samaritan Center in Clinton and the recent theft of

our garden tiller, a couple from Garden City donated a nice one to St. Paul's that they were not using. Many thanks to them for their kindness. Let's work for a bumper crop to donate to those in our community in need of food assistance.

CARE NOTE

Gertie Nau fell at her home at the Arbors at Glendale Gardens and was sent to the ER. No bones were broken, but heavy bruising will make recovery slow. She is in good spirits and will look forward to returning to church soon.

BISHOP'S DAY WITH VESTRIES AND WARDENS

Don Kiefer attended this event on March 19 at St. Andrew's in Kansas City. He reported attending many worthwhile sessions and learned a lot that he will be sharing with our vestry in the coming months. Don also attended the Central Deanery Meeting on March 12 in Lexington.

PRESIDING BISHOP CALLS FOR A SEASON OF PRAYER
