A WORD FROM THE BISHOP'S WARDEN

Dear All,

The only constant is change! How many times have you heard this in the business world? It's true at St. Paul's too. I'm sorry to announce that Keith and Susan Livingston are moving, back to Texas, where there is less mold than there is in the Missouri area. Keith and Susan have been a part of St. Paul's for a number of years now and will be sorely missed. Also missed will be their extended family, children and grandchildren. In fact, the vast majority of baptisms lately have been Livingston grandchildren! Visit anytime and St. Paul's stands ready for any future baptisms. Our prayers are with you. May Keith find a fishing hole comparable to Truman Lake, and, more importantly, may Susan find relief from the mold of this part of Missouri.

Also please note that Bishop Field's visitation to St. Paul's is on Sunday August 23rd. Father Fasel will also be with us that day. Please make an effort to be with us on that day as we welcome Bishop Field to St. Paul's.

Don

CROSSLEY DEDICATION

The Crossley's family was in attendance July 12 as the purple Superfrontal was dedicated. Please notice the photo and plaque on the wall that backs the nursery which lists all of Bob's contributions to our church.

BISHOP FIELD'S NEW SCHEDULE

Bishop Fields' visitations to churches in the diocese will follow a new pattern: one visit on a Sunday with the next year being a visit on a weekday to meet with the leadership team of the local church. Confirmations will be held regionally in the future.

INSTRUCTIONAL EUCHARIST

On August 30, Rev. Lewis and John Tarver will be holding an instructional Eucharist on

St. Paul's Episcopal Church
P. O. Box 453
Clinton, Missouri 64735

Sunday morning. It is part of Kaitlin Gladfelter's preparation for her confirmation. This special service should be good instruction for all of us! Please plan to attend and learn more about how we celebrate our faith.
