### A WORD FROM THE BISHOP'S WARDEN

Dear All,

St. Paul's is scheduled for a visit by Bishop Field the evening of Wednesday August 24th. This will be his first visit to St. Paul's under the new format whereby he visits on Sunday one year and the following year visits during the week for a chance to visit with church leadership (in the case of St. Paul's, most everyone!) to share joys and concerns in an informal setting. In the days to come, we will have more information out to you.

I give thanks every day for each of you. In times of stress and trouble the presence of God is manifested in the love and concern each of you show for those in need. It is easy for us to show this concern for those we love and more difficult to extend the same feelings to strangers. Even harder is to bestow these same feelings of love and concern to our enemies and those we simply find unbearable. Yet this is what we are commanded to do. My prayer is that each of us, especially me, is empowered by the spirit to fulfill the command to love thy neighbor. The first step is to pray for thy neighbor.

May each of you have a blessed day and rest of summer.

Don
