A WORD FROM THE BISHOP'S WARDEN

Dear All,

Our community and St. Paul's has suffered a great loss this past week. Of course, I am referring to the passing of James Stillwell, long time Clinton Middle School teacher, since retired, and also long time member of St. Paul's. As a facebook friend of Jim's, I was always amazed at the number of former students that were his friends and sang his praises as the best teacher they had ever had. The praise was from a very diverse cross section of former students, those who valued education in their middle school years as well as those less interested in academic pursuits at that time of their lives. All recognized the commitment and love that Mr. Stillwell had for them and for the subject matter. As a student in the Clinton school system, I vividly remember my favorite teachers. Jim Stillwell represents a new generation of legendary educators in our school system. Our thoughts and prayers go out to Jim's sons, Michael and Ryan, as well as to those very close friends who are left to mourn his passing. The service for Jim will be at 11:00 am on Friday December 30th St. Paul's.

UNDECORATING THE CHURCH - JAN. 8

Always hard to see the beautiful holiday decorations come down - but as we prepare for the next event in the church calendar, we must take trees and window candles down. Many hands make light work so come

prepared to help and it will be done in no time!

CARE NOTES

Please put Kate French on your daily prayer list as she will begin chemotherapy early in January for breast cancer. She has undergone two lumpectomies and radiation - both with very good results. This next round of treatments will help reduce the risk of re-occurrence.

Don ran into past members, Chuck and Mary Smith over the holidays and learned that after continuing illness and Mary's back surgery, they are selling their house in Warsaw and moving to Kansas City to be closer to doctors.

John Tarver has recently started a new job with Quest Laboratories. Good luck with your new professional adventure!
