A WORD FROM THE BISHOP'S WARDEN

Dear All,

For the majority of this month, we're in the season of Lent. Even though we are bombarded with signs of spring and the renewal of the Earth, God's creation, that it brings, it is important that we live the Lenten message including Holy Week. The despair of Good Friday must be lived for the joy of the Resurrection and Easter morn to be completely experienced. Remember that on the first Good Friday, Jesus' followers did not know of the joy of the Resurrection. It is important we don't fast forward past Good Friday straight to Easter. To do so will diminish the Joy of the Resurrection on Easter morning.

Don

Please bring Easter Lilies to the Church anytime during Holy Week or on Easter Morning.
