## A WORD FROM THE BISHOP'S WARDEN

Dear All,

On Wednesday, August 24 at 6:00 pm, 9 members of St. Paul's and Father Fasel met with Bishop Field for his annual visitation. We began with a meal followed by an informal roundtable discussion about current issues concerning the health of the Church in general, the Diocese and St. Paul's. Everyone contributed to the discussion. This meeting was the first for St. Paul's under the new model for the Bishop's annual visitation to the churches of the Diocese. One year the Bishop visits on Sunday and celebrates at the Eucharist and preaches, like we have always done in the past. On the alternate years, the Bishop's visitation is during the week and is more informal. This format allows the Bishop to be in every congregation yearly whereas under the old plan, congregational visits were less often due to other Sunday obligations of the Bishop.

Don

### **Pioneer Life Offers Hands-On History**

Do you have memories of summer visits to the family farm? Did you love reading the "Little House" books and imagine you were living in a little house on the prairie or the big woods? Introduce these memories to your children or grandchildren by bringing them to Pioneer Life, an afternoon of free activities at the Homestead, just off the Clinton Square, on Saturday, Sept. 17. Sponsored by the Henry County Museum, Pioneer Life gives children the chance to try milking a cow, making butter, dipping candles and carding wool. Activities, from 1 to 3 p.m., will center around the log cabin and one-room schoolhouse on the Homestead property, across from the Henry County Museum, 203 W. Franklin. For more information, call [660-885-8414](tel:660-885-8414).

On August 11, Gertrude Nau, Sheryl Kiefer's mother passed away after a prolonged illness. Sheryl and family want to thank Father Eric Anderson for coming to her bedside to administer last rites, Father Bill Fasel for attending the visitation, and members of the congregation for their kindnesses during her illness and after her passing.

Barbara Crossley had eye surgery a couple of weeks ago and is doing very well and seeing better. Well enough to have a garage sale Sept 2-3!
