### A WORD FROM THE BISHOP'S WARDEN...

I find myself not wanting to go to church on Sundays. It is increasingly my one day off a week and the prospect of spending half of the day at church is not really what I think I would choose. But it is important. I realize that sharing with all of you is part of my life. I am, I hope a better person for our shared faith and time together. Thank you each for our shared time together.

I think that as our society moves to talking on the phone or messaging instead of face to face is the cause of the feeling of something missing that many people feel. I wish more people would understand and join us.

Thank you all for being part of our congregation and invite some friends to join us.

Peace  
John

**CHURCH MEETINGS AHEAD**

Don will be attending two meetings this month: August 11 Diocesan Council at St. Peter’s and All Saints in Kansas City and August 25 Summer Church Summit in Sedalia.

**SUMMER TRAVELS**

Many of our members are traveling this summer and into fall. Let’s wish everyone good travels and safe journeys.

It always means small numbers on Sundays, but a vacation revives the soul.

**CARE NOTE FOR FATHER JESKE**

Father Jeske who has shared services with us many times, lost his father recently after a short illness. Please keep Father Jeske and his family in your prayers.

**CARE NOTE FOR EDDIE ANDERSON**

Eddie is back home after surgery and a long hospital recovery. We will look forward to hearing that you are fully recovered and back to your normal activities.
