## A WORD FROM THE BISHOP'S WARDEN...

Christmas 1 Year B

In the beginning .....We just celebrated Christmas. That was some beginning 2000 years ago when "the Word was made flesh, he lived among us." Of course, today we know that and which day in our annual cycle we are going to celebrate His birth. Why one day? If we truly believe should we not celebrate His coming every day? Luther certainly believed that your first baptism, if you let it, changes your approach to life, to faith, to everything and that you should 'die' through repentance and accept the grace of God (baptism) every day. In his catechism he said "In the morning, as soon as you get out of bed, you are to make the sign of the holy cross and say: God the Father, Son and Holy Spirit watch over me. Amen"

In the beginning, from Christmas to Christmas.

Why not give it a try. A new beginning everyday does not sound that bad an idea.

God's Peace,  
John
